ZOOM INSTRUCTIONS

Greeting to all !!!

This coming September 15, 2020 we are going to set up a “teleconference” ZOOM Kachina General Meeting that will begin at 7:00 pm. The KKC Board feels that this is the best way to get the membership back safely, and to start getting the club back on track. This will require you to have access to a computer, tablet or a smartphone and a app called ZOOM. Once the app is installed on your device we will send you an email that has the special link that can get you in the meeting. From that point on our Secretary will be able to take roll call and to recognize you during the meeting for questions regarding club business and for making motions and voting. There is a “chat” button that you can use to type your motions, questions and any other comments. We can probably do a couple of test runs, to get people familiar with the whole process. We are hoping that this will get more people to the meeting without driving and eating out. Below is a link that you can visit to learn about the Zoom process and to get familiar with it. Send an email to mcasiano2006@gmail.com with any questions you may have now.

Note

- 1.: We are taking meeting attendance with these ZOOM Teleconference calls. These zoom meeting will count toward voting and awards. Previous meetings that were cancelled because of COVID-19 will be counted as “all members attending”. The two months the club takes for summer break will not count.**
- 2. Also, along these same lines,Your Dues must be paid for this year! Contact Dawn Fennewald if you are unsure. We are accepting dues so please be sure. We are trying to stay compliant with the Constitution and By-Laws and still bend with this pandemic situation.**
- 3. These are less than ideal circumstances for running any club, and we will resume normal meetings as soon as it is safe to do so. Like Clarissa some of us miss the “Pancakes”!!!! And most of us miss the meeting with our friends and family.**

Kachina Kennel Club General Meeting Minutes – October 20, 2020

Members in attendance were Dawn Fennewald, Marilyn Casiano, Jeff Newbill, Stephanie Clark, Mike Doty, Dean Doty, Clarissa Shank, Marilyn Pauley, Susan Howard, Sue Caniff, Yvonne Cockrill, Derek Koziol, Andy Koziol and Phoebe Perkins.

The teleconference (ZOOM) General meeting was called to order at 7:00 PM by President Marilyn Casiano. Derek Koziol made a motion to approve the minutes as presented in the newsletter, seconded by Clarissa Shank.

President – Marilyn C explained that attendance is being taken during our general membership zoom meetings and does count towards full membership rights.

Vice President – No report

Secretary – No report

Treasurer – Dawn F gave a complete accounting of the financial accounts. A motion to accept the treasurers report was made by Clarissa Shank and seconded by Andy Koziol. Motion passed unanimously. Dawn let the membership know that all bills have been paid, except for expenses for the 2021 show. Dawn explained the Facebook raffle page to the general membership and that the club has brought into the treasury about \$5,000 so far. Stephanie C explained more about how the raffles work, what is raffled off and how we make money from it.

Show report - Show chair Dawn F explained to the members that the City of Surprise has approved our January 2021 show. If

something extraordinary happens, we will not lose our deposit. It will either be refunded or put towards our January 2022 show. Dawn briefly explained all the show related items that are in the planning stage for the show: porta potties, golf carts, etc. She also explained that there will be a 3rd party, hired by the City of Surprise, policing our event to make sure everyone is following the Covid-19 guidelines and requirements put forth for our show. It is very important that ALL rules, guidelines and requirements be followed because if they aren't, we will lose our show grounds.

The 2021 show will have a limited entry of 1400/day for conformation entries. The board felt that was a workable amount above the entries we had last year, and the show committee did not want to remove our performance events from our show weekend. The 2021 show will be "show and go", there will be no set ups and no grooming allowed on the field. The board is, however, discussing the option of car side paid grooming spots. The rings for this show will be different than what we have had in the past. For those that have been to the Palm Spring shows or MCKC shows, our rings will be set up like that. One main large tent down the middle with rings off each side. The grass will not be reseeded this year. Lastly, for 2021 only, the cluster will not be offering CGC, CGCA, any level of Trick dog, or temperament testing. We will also not be having a match show, hosted by the club. The conformation show will be regular variety group and Owner/Handler groups only.

Box van spaces will be reduced for this show, costing exhibitors \$100/weekend. RV parking will be \$40/night, prepaid and \$45/night at the gate. RVs will be parked in a first come,

first served basis so if you would like to park with someone, you need to arrive at the show, at the same time. No exceptions to this. We are trying to utilize the maximum amount of space in the parking lot.

There will be waiver that needs to be signed in order to get onto the field. The waiver will be in the premium list, on the club's two Facebook pages and the club's two websites. Once the waiver is signed, the exhibitor will receive a wrist band that is to be kept on the entire weekend. There will be no second wrist bands given out if one is lost or removed. The club will not be doing temperature checks to get onto the field. Discussion ensued, by club members, about having no spectators, who will be allowed onto the field, how that will be policed, etc.

At the time of the general meeting it was decided that there would be no day of loading/unloading zone. It was also decided that the agility, obedience, rally and dock diving would be allowed E Z Ups, with appropriate social distancing, due to the fact that these exhibitors typically have multiple entries that run throughout the day.

There will be a total of 3 food trucks this year, along with a dedicated coffee truck. The food trucks will be Rich and Anna Mysliwicz (BBQ, hamburgers, etc), Cerealphoria a cereal + shake bar, and Roasted Neighborhood Coffee truck. One more food truck will probably be offering a Mexican food menu.

The membership was asked to please bear with the club this year as the pandemic has forced us to make many changes. We are extremely hopeful that things will return to normal in 2022. Your cooperation, patience and help during the 2021 show will make

sure that we will still be able to use the great field that we love so much, for 2022 and more.

Attention members, we are still a working club, with board and general membership meetings (offered through Zoom). To remain active in the club, your dues are still due! Please make sure you send your dues to our treasurer, Dawn Fennewald as soon as possible in order to maintain continuous time as a club member.
